Please attach: 1) a one-page proposal (400 words) outlining the subject, goals, and methodology of the thesis; 2) a preliminary bibliography, listing five primary sources and five secondary sources. In a few sentences, please describe why each title is useful for the project. The more knowledge you demonstrate in the proposal and bibliography, the more likely it is that your application will be accepted.

*Dear faculty member,*

*We are very appreciative that you are willing to consider sponsoring a senior thesis. You are always encouraged to work out your own schedule of meetings and deadlines with the student. However, please be aware that there is a tight turnaround for reading drafts of the essay in the spring due to certain unmovable deadlines set by the College and by General Studies related to consideration for various University honors.*
